

## Chamber honors local organizations

The Charlotte Chamber honored local organizations for their achievements in business and technology on Monday night. The chamber's Information Technologies Council presented the 14th annual Blue Diamond awards to the following:

- Duke Power, Best Corporate Customer Service
- Mecklenburg County, Best Corporate Information Technology Product
- Bank of America Corp., Best Corporate Use of Information Technology
- **NuTech Solutions Inc., Most Innovative Use of Information Technology**
- Time Warner Cable, Joanna R. Baker Corporate Leadership
- Solid Computer Decisions Inc., Best Community Contributor
- CEM Corp., Best Customer Service
- V3 Systems, Best Information Technology Product

A pioneer in genetic algorithm technology, NuTech won the award for its Asset Distribution System (ADS), which helps sellers at wholesale auctions predict the best sites for their products. ADS makes faster and better decisions than supercomputers or teams of human experts.
